Fazakerley of Muskegon, Michigan*

*Our mission inspires
us to...serve together as a
compassionate, transforming
healing presence...*

DEAR FRIENDS,

This *Inspired Philanthropy* report is an expression of our gratitude for your support of our mission and ministry. In the following pages, you will meet fellow supporters, learn how your charitable giving is influencing our patients' lives, and see the progress of our new medical center campaign.

At Mercy Health Muskegon, we fully embrace our mission — to improve the health of each person we serve. For this reason, our medical teams stand ready to provide life-saving care twenty-four hours a day, seven days a week and 365 days a year. Ours is a special mission, and a not-for-profit one, which increases our obligation to serve every person — from their first breath of life to their last.

Yet, the work of our mission would not be possible without faithful support. In 2017 and the first quarter of 2018, your gifts made a difference for newborns and their families, seniors and their caregivers, and patients with financial hardships.

You also made a difference for individuals recovering from injuries and surgeries, and patients receiving care for cancer, heart disease or stroke (pages 6 and 7).

The completion of our new 10-story medical center (pages 14-16) in fall 2019 will be the realization of a long held vision for a state-of-the-art medical center in our community. Like the founders and supporters of our legacy hospitals — *Hackley Hospital, Muskegon General, Lakeshore Hospital and Mercy Hospital* — the success of our new medical center depends on the engagement of our community. As we build momentum to the opening, continued generosity and support will help ensure state-of-the-art care for our loved ones for another 115 years.

On behalf of our patients and the families we serve, thank you for supporting and sharing in the work and mission of Mercy Health Muskegon.

With sincere appreciation,

Mark Fazakerley
*Philanthropy Council Chair
Co-owner Eagle Alloy*

Claudine Weber
*Chief Philanthropy Officer
Mercy Health Muskegon*

THE FAZAKERLEY FAMILY EMERGENCY *and* TRAUMA CENTER

Mercy Health is pleased to honor the Fazakerley family in the new medical center. When it opens in the fall of 2019, the Emergency Department will be named *The Fazakerley Family Emergency & Trauma Center*. We could not be more grateful for their generous gift and for Mark's leadership of the Philanthropy Council.

As lifelong Muskegon residents, Mark and Christine Fazakerley have a special interest in our community's health and wellness. This commitment is their inspiration for a generous gift given to the new Mercy Health Muskegon medical center.

"Christine and I were compelled to support our community's new hospital facility. We raised our family here and consider Mercy Health's lifesaving services important. We are

Christine and Mark Fazakerley

very proud to extend our support for this new medical center," said Mark. "It has given us an enormous sense of joy to support something that will significantly impact the lives of many others for years to come."

The Fazakerley family's gift to the new medical center is remarkable.

It will ensure our ability to continue providing the best possible care when the people of West Michigan need it most.

To learn more about the new medical center, see pages 14-16.

Mavis and Dan Thill

Saying Farewell to **BELOVED FRIEND** **MAVIS THILL**

The Mercy Health Muskegon Heart & Vascular Center and the Critical Care Unit bear the name of Dan and Mavis Thill in honor of their contributions to cardiovascular health. The Thills' history with Mercy Health began nearly 30 years ago when Dan served on our hospital board. Together, Dan and Mavis created a legacy through our Heart & Vascular Center and Critical Care Unit. With Mavis' passing in November 2017, we said farewell to our extraordinary friend and supporter. The Heart & Vascular Center and one of the Intermediate and Intensive Care Units in our new medical center will be named for the Thill family.

Lessons learned in youth inspire lifelong service

Such is the case with Mercy Health Muskegon President Gary Allore and his wife, Sue.

The Allores, who are supporters of the new medical center campaign, have always lived in Muskegon. After a nationwide search, Gary was named president of Mercy Health Muskegon in September 2017. Gary's father built a successful plumbing business, while his mother was involved with and supported every aspect of the company.

"My parents worked hard, and their largest desire was to help," said Gary. "My father always loved to do service calls because he felt those calls — going out to help people in immediate need — were the absolute heart and soul of his business."

Sue recalled her first job at the restaurant founded by her grandfather — Muskegon's Doo Drop Inn. Eventually, she held every job — waitress, hostess and cook — in the legendary eatery.

"Everyone in our family grew up in the restaurant," she reminisced. "And, we were never allowed to say: 'That's not my job.'"

Today, Sue is a leader when it comes to community service and volunteering, with no project too small for her to undertake. She serves on local boards, is a member

of Women for Health, and finds herself helping numerous causes several times a week. Her life is indeed one of service.

Gary is equally dedicated to helping meet needs through service to Mercy Health Muskegon and several area not-for-profit organizations.

Their parents instilled a sense of dedication to the place they call home. This legacy of caring continues through Gary and Sue today. West Michigan, they say, holds absolutely everything for a good life: rewarding work, volunteer opportunities, beauty and, most important, loved ones.

The Allores' values and dedication to West Michigan explain their gift to our new medical center (through the **imagine. build. TRANSFORM** campaign). It is more than a sense of duty. They say it is their honor and privilege to be a part of a project that will carry forward the Mercy Health mission and provide lifesaving medical care for future generations.

In reflecting on their passion for West Michigan and the medical center, Sue shared, "We truly have everything we could want right here. We are very blessed."

Gary and Sue Allore at the Mercy Health Muskegon Hackley Campus

Impactful

A photograph of a male doctor with brown, wavy hair, wearing a white lab coat over a blue and white checkered shirt. He is smiling warmly at a young child with dark, curly hair. The child is wearing a pink t-shirt and has a stethoscope around their neck. The doctor is also holding a stethoscope. The background is a plain, light-colored wall.

Every gift represented in the following pages shows a commitment to superior health care in our community — health care delivered by the finest providers, nurses, technicians and clinicians. This is the true impact of philanthropy at Mercy Health Muskegon — to be a transforming, healing presence in our community.

Year in REVIEW

January 1, 2017 to March 30, 2018

OFFICE OF
PHILANTHROPY

Along the Lakeshore

Financial Overview

Fiscal 2017 will be remembered as a year marked by tremendous generosity and unbounded gratitude. The support from the community (individuals, businesses, organizations and foundations) and our hospital family (colleagues, volunteers, physicians and other providers) was exceptional. In fiscal 2017, Mercy Health Muskegon received 3,132 gifts and pledges totaling \$3,036,131.

	Jan–Dec 2017	Jan–Mar 2018
Major Gifts	\$2,027,409	\$136,893
Annual Gifts	\$325,899	\$39,447
Memorial & Tribute Gifts	\$19,349	\$2,415
Planned Gifts	\$14,580	\$1,748
Special Events	\$426,430	\$31,597
Grants	\$181,265	\$550
Volunteers/Guilds	\$68,199	\$71,090
Total	\$3,063,131	\$283,740

Philanthropy Impact

The Office of Philanthropy was able to award more than \$3 million to our ministry due to the many generous gifts and contributions from individuals, businesses and foundations. Beneficiaries included our providers, colleagues and patients, from newborns to seniors. Highpoints of the year included the purchase of a computerized tomography (CT) scanner for the Johnson Family Cancer Center (funded solely from philanthropy giving), the completion of the Reflection Room at the Lakeshore Campus and significant patient financial assistance.

Philanthropy Impact	
Funds released for the new medical center	\$2,100,000
Purchased medical equipment (CT scanner, stretchers, analyzers, air purifiers, etc.)	\$736,100
Patient financial assistance	\$184,000
Newborn and child safety devices & education	\$37,000
Senior assistance (Let's Stay Home program)	\$35,000
Lakeshore Campus reflection room	\$32,000
Transportation for cancer patients	\$11,000
Nursing continuing education & training	\$10,500
Patient education & materials	\$6,500
McAuley Fund to benefit colleagues in crisis	\$5,000
Total	\$3,157,100

SIGNATURE *Events*

Our annual signature events benefited the new medical center project through the **imagine. build. TRANSFORM** campaign. Thank you to our Benefit Ball and Home & Hearth sponsors — Lake Michigan Emergency Specialists, PLLC; The Christman Company; North Ottawa Community Health System; Eagle Alloy, Inc.; Molina Healthcare; MarxModa; Harbor Hospice; Frank & Susan Bednarek and Dr. & Mrs. Douglas Zwemer.

Thank you to the sponsors of our signature events.

Benefit Ball

Mercy Health Muskegon ushered in the holiday season on November 4 with Benefit Ball 2017 at Muskegon Country Club.

More than 200 guests enjoyed the evening, with the theme The Build Up, co-chaired by Frank and Susan Bednarek and Dr. Justin and Carrie Grill. We are grateful to our sponsors and especially our major sponsor for the evening — Lake Michigan Emergency Specialists, PLLC.

*Benefit Ball 2017 co-chairs

members & volunteers*

Home & Hearth

Our annual women's luncheon took place on December 5, 2017 at Muskegon Country Club. Home & Hearth is a longstanding holiday tradition at Mercy Health Muskegon. Approximately 220 women enjoyed the hearth trees, gourmet luncheon and silent auction. Thank you to all our sponsors, silent auction donors, hearth tree designers and holiday stars.

Tree of Lights

Each year, our Tree of Lights holiday tribute program offers an opportunity to honor or remember someone special by helping to light our spectacular Christmas tree on the Hackley Campus. In December 2017, the lights were blue for the first time. Hundreds of individuals were honored during the ceremony. People who gave to the Tree of Lights program are listed on page 24. Loved ones who were remembered and honored are listed online at MercyHealthGiving.com.

SIGNATURE *Events*

The 14th annual The Ride took place on Saturday, March 10 at The Lakes Mall.

During the past 14 years, The Ride has raised more than \$500,000 for heart health. Thanks to all of our sponsors, volunteers and riders. Proceeds from The Ride support cardiac rehabilitation, the high school student heart screening program and heart and vascular services in our new medical center.

Nicole Coverly, Bob Johnson and Cathy Schmidt

Bob Johnson of Grand Haven says his inspiration for overcoming COPD — by eating right, exercising and losing 85 pounds — comes from his Mercy Heart Center therapists, Nicole and Cathy.

Now Bob inspires better health at The Ride.

Rod Hayhurst, volunteer and Director Clinical Services Development

Dr. Lajide R. Lawoyin, rider Specialist in Hospitalist Medicine

Riders from MHPP Cardiothoracic Surgery

Thank you to all The Ride 2018 sponsors

COMMUNITY *Engagement*

Ten years ago, a group of women met to discuss how they could make an impact on patients served at Mercy Health Muskegon. These women, who would become the founding members of Women for Health, strongly believed in the power of philanthropy. Today the program has grown to 35 members, who have donated more than \$300,000 to support projects, programs and equipment needs at Mercy Health Muskegon. In January 2017, members awarded a \$34,000 grant to the Mercy Health Physician Partners (MHPP) Geriatrics' and Senior Resources' Let's Stay Home program. Additionally, Women for Health members voted in December 2018 to fund a portion of the Patient & Family Resource Center planned at the new medical center. Together, these women are making a significant difference in our community.

Many of the members of Women for Health

Sue Allore	Kristen Brown	Beth Evans	Camille Jourden-Mark	Kendra Olsen	Jan Spoelman
Kay Bernard	Jennifer Buchmiller	Colleen Fitch	Diane Kartes	Kay Olthoff	Kathy Workman
Ann Bleakley	Maureen Campbell	Gretchen Goltz	Kelly Kurburski	Deb Perry-Philo	Susan Zemke
Mary Boyd	Deb DeVoursney	Mary Anne Gorman	Mary Loomis	Lisa Potts	
Shelley Brocci	Jane Downer	Anne Hoekenga	Janice McDonald	Mary L. Price	*Deceased
Heather Brolick	Susan Drust	Kathy Hoogstra	Janeé Musselman	Shaun Raleigh	
Deb Brown*	Jacquelyn Engel	Amy Huss	Kristi Nagengast	Jane Rohlck	

Hackley Free Bed Guild

The Hackley Free Bed Guild members have been supporting the needs of our patients since 1925. In 2017, members voted to fund the purchase of new parallel bars for Mercy Health Rehabilitation Lakes and newborn safe sleep sacks for families at the Birth Center. In addition, patients receiving treatment at the Johnson Family Cancer Center were given adult activity books and colored pencils due to the generosity of the Hackley Free Bed Guild. We are grateful for the difference our guild members make.

Mercy Health Volunteer Board

The Mercy Health Volunteer Board leads the philanthropic efforts of our volunteers, Gift Shoppes and Lobbyside Café. Proceeds from the Gift Shoppes, along with special sales (flowers, shoes, jewelry), and tips from the Lobbyside Café are gifted back to many departments at Mercy Health Muskegon through the annual wish list. In 2017, over \$58,000 supported the purchase of items such as patient health care equipment, treadmills, an infant hearing screener and a portable ultrasound. In addition, the Volunteer Board members voted to pledge \$225,000 to the medical center project. The Gift Shoppe in the new medical center will be named in honor of all Mercy Health volunteers.

Some members of the Mercy Health Volunteer Board recently toured the new medical center construction site. Left to right: Pat Preston, Karen Driver, Alice Pasarela, Rita Rainwater and Connie Brantman.

COMMUNITY *Engagement*

We extend our heartfelt appreciation to all of our third-party event organizers. Third-party events are fundraising initiatives by community groups, businesses, and organizations that wish to support Mercy Health.

Sandy Corley Memorial Run

In September 2017, the members of the Sandy Corley family, the Sandy Corley Memorial Run board, the Fremont HOG (Harley Owners Group) members and the Forgotten Eagles presented a check to the Mercy Health Johnson Family Cancer Center from the proceeds of their 2017 event for \$65,000. This brings the cumulative total the group has raised for the fight against cancer over the past twenty-nine years to more than \$2 million.

Chief Medical Officer Dr. F. Remington Sprague (left) with the members of the Sandy Corley family, who presented proceeds from the Sandy Corley Memorial Run to the Johnson Family Cancer Center.

Cars for Cancer

On Labor Day 2017, the 13th annual Cars for Cancer show was held at the Lakes Village with more than 500 classic cars, trucks and motorcycles. The Johnson Family Cancer Center received \$15,513 from the proceeds of this year's event. The total amount Cars for Cancer has raised during the past 13 years now exceeds \$200,000! The members of Different Stroke's Car Club and Knights of Columbus #13035 are the organizers of the event.

Gifts in Kind

Mercy Health Muskegon accepted a variety of items from the individuals and community groups listed here.

Thankful

The past year has been filled with extraordinary gifts to Mercy Health Muskegon. As we continue our unprecedented capital campaign, we are deeply grateful for your support, and we look forward to the future as we embark on a new journey together.

The future chapel under construction

TRANSFORMATIONAL *Health Care*

The new Mercy Health Muskegon medical center construction is nearly halfway complete.

In just a few months from now, the first phase of our Emergency Center and our surgical and interventional rooms will open.

The installation of the building's final exterior panels will take place this summer, turning the building from green to shades of white.

Inside the building, the core electrical and plumbing components have been installed. Hallways and rooms are beginning to take shape. This summer, the pace picks up as the focus moves to finishing the first phase.

"When our staff visit the construction site they are inspired.

They see that everything is designed for our patients. When our new medical center opens in 2019, how we work will be much more efficient. This will allow us to spend more time with our patients," said Nick Strait, director of clinical consolidation, MSN, MBA, RN, NEA-BC.

Mercy Health recently received approval to invest an additional \$19.6 million in the new medical center for the outfitting of the 10th floor and the renovation and expansion of the kitchen and dining area. This increases the total investment of the Mercy Health Muskegon medical center project from \$271.4 million to \$291 million.

The medical center will open in three phases. In November 2018, the Emergency Center and the surgical and interventional procedure rooms will open. In Spring 2019, several

inpatient floors will open. The final phase will open in fall 2019 with the completion of all remaining floors.

Nick Strait, director of clinical operations, MSN, MBA, RN, NEA-BC, is leading the coordination of the clinical operations for the new medical center. This includes inpatient floors, the Emergency Center and the new Universal Care Unit.

The legacy Mercy Campus facility, left, will connect seamlessly with the new medical center.

Advancing OUR HEALTH CARE

The imagine. build. TRANSFORM campaign

*Claudine Weber,
Chief Philanthropy Officer*

We have an opportunity, unlike any since the first hospital was established in Muskegon in 1903, to be part of an effort to build a new state-of-the-art medical center.

The value of a new medical center in our community far exceeds the cost to build it. We cannot begin to put a price on the lives that will be touched by it and those whose lives will be saved by it.

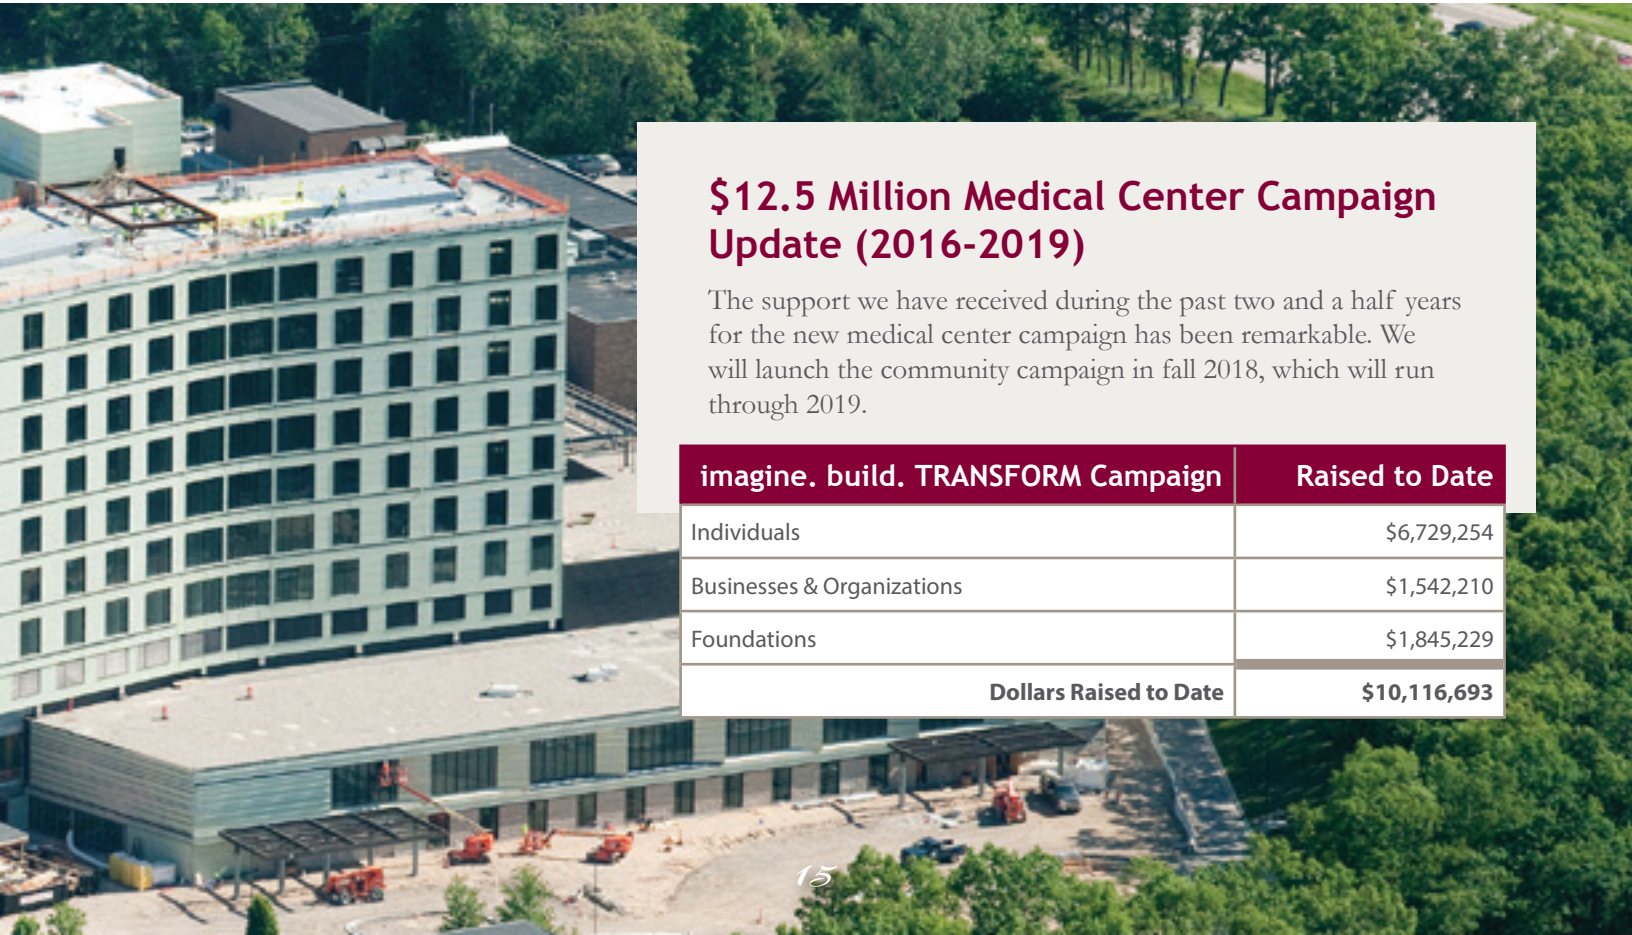

This campaign is a chance to share in a very special legacy that will extend to our loved ones and future generations. As of March 2018, we achieved \$10.1 million of our \$12.5 million campaign goal. We are overwhelmed and grateful for the exceptional support we have received thus far.

In the months ahead, we will rely even more on the generosity of everyone, from our devoted hospital family to our beloved and loyal community, as we launch our public campaign in the fall of 2018, themed *Building Momentum*.

The medical center campaign offers a myriad of personalized donation opportunities. From commemorative gifts that honor a loved one to gifts that create an inspiring family legacy, we invite participation in a way that supports your charitable goals or is most meaningful to you.

We recognize all gifts to the campaign, regardless of size, in thoughtful ways. Gifts of \$1,000 or more can be pledged over a five-year period.

To learn more, contact Claudine Weber, chief philanthropy officer, at 231.672.3896 or weberch@mercyhealth.com.

\$12.5 Million Medical Center Campaign Update (2016-2019)

The support we have received during the past two and a half years for the new medical center campaign has been remarkable. We will launch the community campaign in fall 2018, which will run through 2019.

imagine. build. TRANSFORM Campaign	Raised to Date

IMAGINING A HEALTHIER FUTURE FOR *Our Community*

We would like to extend a special thank you to the following individuals, businesses and foundations that have made lead gifts to the **imagine. build.TRANSFORM** campaign. Through their generous support and the gifts from many others, the philanthropy campaign has currently secured \$10.1 million toward our \$12.5 million goal.

 MERCY HEALTH

imagine. build.
TRANSFORM
advancing our community's health care

Grateful

We could not achieve our mission to be a transforming, healing presence within our communities without the support of our donors. Their generosity is a reflection of our core values: Reverence, Commitment to Those Who Are Poor, Justice, Stewardship and Integrity. We are deeply grateful for the following supporters who inspire us to live these values every day.

Thank You TO

ALL OUR SUPPORTERS

We are blessed to have so many people who respond to the needs of our community.

Donor support allows us to enhance our new medical center, purchase safety equipment, fund nursing/medical education, buy new state-of-the-art medical devices, provide patient financial assistance and much more.

Names are listed according to donor preference. If we have made an error or omission on these supporter lists, please let us know and accept our sincere apology.

President's Circle

Honoring businesses, individuals, and organizations for their extraordinary lifetime, cumulative commitments of \$25,000 or more to Mercy Health Muskegon. Members of the President's Circle receive permanent recognition.

MERCY HEALTH *Family* OF SUPPORTERS

Physicians, Pharmacists & Advanced Practice Providers Giving Club

The following physicians, pharmacists and advanced practice providers are actively supporting Mercy Health Muskegon through a variety of projects, programs and events. In 2017, the Mercy Health Muskegon's Physicians, Pharmacists and Advanced Practice Providers Gifts Committee was formed and they set a goal to raise \$1.5 million for the new medical center campaign. To date, they have secured nearly \$650,000. We extend our sincere gratitude to the following providers and clinical staff members for their wide range of support to Mercy Health Muskegon.

Petra Abram, PharmD	Dr. Robert J. Fles, Jr.	Dr. Andrea Johnson	Dr. Joan E. Nagelkirk	Dr. Heidi Suidinski
Dr. Harry Arthur	Dr. Mark Foreman	Dr. Harrison Johnson	Dr. Ryan Offman	Preston Taylor, PharmD

Colleague & Volunteer Team Club

The following Mercy Health colleagues and volunteers are supporting the medical center campaign and our colleague crisis fund (McAuley Fund). As members of the Mercy Health Muskegon family, they are leading the way for the new medical center through their generosity. Twenty-two colleagues were helped through times of personal financial crises during the past year thanks to the McAuley Fund. \$10,359 in emergency grant funding was given. The McAuley fund is supported solely from contributions made by colleagues to Team Club. To date, our colleagues and volunteers have given or pledged a total of \$650,000 toward their \$1 million goal for our new medical center. We are grateful for the compassion of the following colleagues and volunteers.

Remembering DR. FRED AND DEB BROWN

Mercy Health recently lost two special family members with the passing of Dr. Frederick B. Brown and Deborah L. Brown. Dr. Brown was a renowned vascular surgeon with Muskegon Surgical Associates (MSA), serving the lakeshore for more than thirty years. His beloved wife, Deb, was a much revered nurse and a member of Women for Health. In 2001, the Browns co-founded Benefit Ball, our annual fundraising gala. They supported many campaigns, safeguarding high quality health care in West Michigan. As members of our Presidents' Circle giving club, the Browns will be permanently recognized at Mercy Health Muskegon. Together, Dr. Fred and Deb Brown made a significant impact on those served by Mercy Health Muskegon and those who had the privilege of working with them. They are deeply missed.

Dr. Fred and Deb Brown

PHILANTHROPY COUNCIL *and* STAFF

Mercy Health Muskegon is fortunate to have the support of a dedicated steering committee with diverse experience and connections to the communities we serve. These individuals are leading the philanthropy efforts, including the capital campaign for the new medical center. They share our commitment to being a compassionate, healing presence in our communities.

Joan K. Kessler, Manager Donor Relations & Communications

Amber Wallace, Annual Gifts & Events Coordinator

Laura Martin, Philanthropy Services Coordinator

Mercy Health Muskegon is proud to have served the health care needs of Muskegon and the lakeshore for 115 years. We are committed to providing high quality care that is the most compassionate, personalized and accessible in West Michigan.

Our Mission

We, Trinity Health, serve together in the spirit of the Gospel as a compassionate and transforming healing presence within our communities.

Our Vision

As a mission-driven innovative health organization, we will become the national leader in improving the health of our communities and each person we serve. We will be the most trusted health partner for life.

Our Core Values

Reverence We honor the sacredness and dignity of every person.

Commitment to Those Who are Poor We stand with and serve those who are poor, especially those most vulnerable.

Justice We foster right relationships to promote the common good, including sustainability of earth.

Stewardship We honor our heritage and hold ourselves accountable for the human, financial and natural resources entrusted to our care.

Integrity We are faithful to who we say we are.
