# **SJMHS Environment of Care Policy Manual**

# SJMHS Tobacco-Free Environment Policy

#### **SJMHS**

Section Number 500 – Fire Safety

**Policy Number 510** 

Effective Date: 11/1968

Reviewed/Revised Date: 04/1998, 03/2001, 11/2004, 02/2010, 11/2010

Approved by: SJMHS EOC Safety Committee

### **Policy**

Saint Joseph Mercy Health System (SJMHS) prohibits the use of tobacco in any form, non-tobacco smoking products, and artificial or electronic cigarettes on SJMHS-owned and leased property, including but not limited to, grounds, parking lots, vehicles in parking lots and within any SJMHS-owned or leased building or vehicle regardless of location. This policy applies to **all persons**, including but not limited to, patients, visitors, physicians and physician office staff, SJMHS associates and volunteers, contractors and temporary agency employees **when on/in any location covered by this policy**.

#### **Narrative**

The purpose of this policy is to facilitate compliance with applicable state law and to promote the health and safety of SJMHS patients, visitors, associates and others by requiring a tobacco-free environment on SJMHS premises.

### **Procedure**

## I. Patients:

- A. Physicians must not give verbal or written orders to allow patients to use tobacco.
- C. All physicians and their office staff will advise all potential patients regarding requirements of the SJMHS Tobacco-Free Policy.
- D. SJMHS associates will orient patients and families to the Tobacco-Free Policy whenever possible prior to admission/use of services and upon the patient's admission. Patients shall be provided educational and/or program materials and related literature on tobacco use/smoking cessation.
- E. When patients do not comply with the SJMHS Tobacco-Free Policy staff will:
  - 1. Remove the tobacco materials or non-tobacco materials or artificial/electronic cigarettes from the patient's room and tell the patient it is being done in compliance with the SJMHS Tobacco-Free policy and for their safety and the safety of others.
  - 2. Contact Security for assistance if needed.
  - 3. Document the noncompliance and rationale for removing the materials.
  - 4. Inform the patient and family of the decision to remove the materials.
  - 5. Inform the oncoming shift of action taken.
  - 6. Inform the Clinical Nurse Manager and/or patient's physician for follow-up when patients are repeatedly found to be noncompliance

#### III. SJMHS Associates

- A. SJMHS associates who violate the SJMHS Tobacco-Free Policy are subject to corrective action up to and including termination of employment.
- B. SJMHS associates who are in possession of lighted smoking materials where combustible/flammable supplies, liquids, gasses or oxygen are used or stored are subject to immediate termination of employment.

## II. All Other Persons Covered By This Policy

A. When visitors or other persons do not comply with the SJMHS Tobacco-Free policy, SJMHS associates will:

No. 510, SJMHS Tobacco-Free Environment SJMHS Environment of Care Policy Manual 11/2010

Page 2 of 2

- 1. Inform the person regarding requirements of the SJMHS Tobacco-Free Policy.
- 2. Ask the person to extinguish/cease use of their smoking materials/products.
- 3. Notify Security if the person refuses to comply.
- 4. Clean the area of smoking debris.
